

Real Jobs, Real Money, Real Life

	Do you have a job or have you had a good one?
	Would you like to have a paid job But it just never happens?
 	Have you found out what stops you working, or what helps?
	Do you have questions about whether you can work?
	Do you have good ideas, or want to listen to others?

This is your chance to have your say, or listen to others to get ideas.

If you want, your story could go into a book we are doing.
