

Self Direction for Everyone

What's happening

September - December 2008

Step by Step Living Network have been working with people who receive social care supports for many years.

We form a team of people who believe that self-direction can work for everyone and that everyone can "drive their own bus".

Take a look at our courses and get inspired !

The Mental Capacity Act/Disability Equality Act and Self Direction

14th November 2008
(St Helens)

This day is a journey through how these pieces of legislation can be used as a resource for self direction.

An Introduction to Housing Brokerage

17th November 2008 (Accrington)
& **8th December 2008** (Accrington)

This day is a useful introduction to supporting people to get homes that make sense to them and is also a useful top up to the Six Day Brokerage Training.

*For those who have attended the six day brokerage training this day forms one of your action learning sets and is free.

There are also places on the Six Day Support Brokerage Training available.

Contact us on 01706 357711 to find out more !

Self Direction for Everyone

What's happening

September - December 2008

Self Directing in a Centrally Directing System

21st November 2008 (St Helens)
& 16th December 2008 (Accrington)

In many places in the UK Individualised Budgets are still not a reality for people.

This day explains ways in which people can still self direct even when the systems that support them are still centrally funded.

Again this course is a useful one day course or an excellent top up to the six day brokerage training.

*Again for those who have attended the six day brokerage training this forms one of your action learning sets and is free.

How much do these days cost?

Individual/Family Member £35 per day

Small Voluntary Sector and Community £75 per day

Voluntary Sector 20 employees or more £95 per day

Statutory Organisations £150 per day

To book please call our office on 01706 357711

Coming soon courses and exploration around risk and personalisation, a days journey through supporting professionals to encourage self direction in people's front rooms and a train the trainers course for people wanting to deliver awareness training around self direction.

Keep self directing !
