Stroke is no respecter of age, denomination, race or status. It hits the very young and those as fit as Olympic athletes. Investigate, debate and challenge stroke prevention, management and rehabilitation techniques at this conference. Evaluate their efficacy in hospital, at home and in the community. The conference is organised jointly by the RCN Learning Disability Nursing Forum and the RCN Neuroscience Forum.

This event will appeal to all health care professionals working in the areas of: stroke care, management and rehabilitation; learning disabilities; epilepsy; acute/critical care; public health groups; and continence care.

#### Sessions include:

- PLD indicator
- morbidity
- health needs - diabetes, obesity, hypertension, exercise
- primary prevention and risk of stroke
- supporting those with learning disabilities who have challenging behaviour/brain injury
- practical help to aid rehabilitation and supported discharge
- service user experience and user group.
