**CHANGE** is a leading national human rights organisation, working for the rights of all people with learning disabilities. At **CHANGE** we employ people with learning disabilities on an equal, living wage to produce accessible resources and deliver training. The income from any of our sales is put straight back into **CHANGE** to ensure we can continue to employ people with learning disabilities.

Thank you once again for supporting **CHANGE** from all of our **Words to Pictures Team**, people with learning disabilities working together to make information accessible!
