

Creative Thinking Sets

A place to think People to think with

**An exciting new initiative in learning disability
and mental health services**

Building Community Inclusion

Are you tasked with listening and responding to people using services, designing or commissioning services, leading teams, solving problems and meeting the challenges of ever changing local and national priorities and restricted budgets?

Management and Leadership

Are you isolated from like minded people and lack essential opportunities to think and recharge?

Creative Thinking Sets provide an invaluable opportunity for leaders and managers to come together in a structured environment to share ideas, experiences and challenges.....to learn, think and plan together.

Service Design and Commissioning

Skilled facilitation means that groups can be creative and challenging, have focused topics and seek outcomes and also draw together participants with a range of backgrounds and experiences.

Developing Local Brokerage Resources

Sets developed by Bill Love

Creative Thinking Sets

The NDT is launching new Creative Thinking Sets in these themes:

Building Community Inclusion

Themes include:

- Understanding, building and supporting friendships
- Rethinking ideas on risk and vulnerability
- Community connectors, opinion formers and natural community guides
- Making systems work for community building.

Management and Leadership

Themes include:

- Leading and learning
- Managing yourself.
- Leadership approaches
- Organisational culture
- Managing change

Service Design and Commissioning

Themes include:

- Building vision
- From vision to plan
- Effective commissioning and care management
- Building the right provider base
- Person centred planning and delivery.

Developing Local Brokerage Resources

Themes include:

- Strategic direction
- Defining role and boundaries
- Support and oversight
- Options for broker services
- Funding and payment
- Power and partnership
- Sustainability and quality

Sets will meet for a full day, four times a year and start in April 2008. Places are limited.

Cost:

One place £600 or two places for £1100 + VAT.

Venues

Venues will be chosen that reflect the geographical spread of Set members.
