Advance Care Planning

(Links to KSF C1,C6,HWB 2,4,5,6,7)

Caring for people at the end of their lives is an important role for health and social care professionals. One of the elements to support people at the end of their lives is to find out what their preferences and wishes are in relation to their future care.

To learn more, come to this session where we will:

- **Discuss what advance care planning is**
- **Review how it came about with the Mental Capacity Act**
- **Outline why it is important in palliative and end of life care**
