# Liverpool Care Pathway: An update

(Links to KSF HWB 2, 3, 4, 5, 6, 7: C1: IK3)

The Liverpool Care Pathway (LCP) is an integrated care pathway for dying patients. Its aim is to give multidisciplinary teams, including nurses, the skills they need to care for patients in the last days of life.

**This session will give you an overview of the LCP and aims to encourage a group discussion on the benefits and challenges of using it in the community, nursing homes and within hospitals. It will be analyse the new version 12 document and discuss ways of using the LCP in practice.**

Learning Outcomes:

- Review the principles of the LCP
- Become familiar with the new version 12 document
- Understand the benefits and challenges of using the LCP
- Identify issues and discuss solutions relating to its use
