

School of Nursing and Midwifery Trinity College Dublin

8th Annual Interdisciplinary Research Conference

**Transforming Healthcare through Research,
Education and Technology**

7th – 9th November 2007

Abstracts of original research or extensive, systematic literature reviews are invited for concurrent papers, workshops or poster presentations. Submissions are welcome from health science professionals on any topic relating to healthcare (clinical, education, management).

Abstracts must give a clear and concise overview of the research and adhere to the criteria set out by the review committee.

NOTE: If presentations are dependent on completion of on-going research, those submitting abstracts must commit that data collection, analysis and results will be complete in time for conference.

For further information please contact
