## What people have said

UEA Student Nurses said:

Very good presentation – the best yet.

Good methods of getting the information across.

Fun & informative

Brilliant presentation; really helpful.

See our website for more details on the training we offer, including tailored packages:

## Opening Doors - opening up opportunities

Support us so we can do our work:

**Norfolk Learning**  
**Difficulties Service**

# Opening Doors

Formerly People First of Norfolk

## What training do we provide and why?

We provide training on issues related to adults and young people with learning difficulties.

To us it seems obvious that the best people to deliver this type of training is people with learning difficulties themselves.

## Just some examples of training we can offer

How to turn information into Easy Read

Equality and Diversity

Understanding Personal Budgets and how to support people to make choices

Using Person-Centred Planning Tools and how to work with people to develop their plan

Tenancy training for support staff

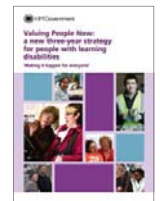

Manual handling and how to support people who use wheelchairs in a safe manner

Visual Awareness: How to support people with visual impairment

Making sense of Government policy

Our experience of using health services

Our experience of using sports facilities

Human Rights and Disability Discrimination
