

Please help us to look at learning disability services run by Southern Health NHS Foundation Trust in Oxfordshire

VERITA

Verita has been asked to look into the learning disabilities services run by Southern Health in Oxfordshire.

This is because of the tragic death of Connor Sparrowhawk in July last year.

We want to look at how learning disability services can be improved.

We want to hear the views of people with learning disabilities, their families, carers and advocates.

Please come and meet with us and tell us how you think services could be improved.

We are holding 2 meetings on Tuesday 7th October at the **Oxford Witney Hotel**. One in the afternoon at 2pm. The other in the evening at 6:30pm.

Please contact **Scott Robertson** and let him know that you can come.
