

# Yorkshire Universities Learning Disability Nursing Research and Development Forum

Free interdisciplinary conference

## Stopping Death by Indifference: improving health access, services and health outcomes for people with learning disabilities,

1 December 2009 Sheffield Hallam University, Hallam Hall, City Campus,  
Sheffield (9.30am -4.30pm)

This conference will be of interest to all front line health and social care service providers involved in meeting the health needs of people with learning disabilities.

A variety of speakers will discuss examples of good practice that seek to respond to key policy recommendations on the provision of primary, secondary and tertiary health care to people with learning disabilities. Particular focus will be on the government's response to the untimely deaths of six people with learning disabilities.

Further details of speakers will be available shortly
