

Health Performance Framework Yorkshire and Humber

Valuing People
Support Team

Invite to the Health Checking Group

3rd March 2009

**Sheffield Showroom Cinema
Paternoster Row
Sheffield
S1 2BX**

10am – 3.30pm

Inclusion North are organising this meeting for the Valuing People Support Team.

What is this meeting about?

This meeting is for people and their families who are interested in making health services better for people who have a learning disability.

You will hear about what the Strategic Health Authority and what other people are doing to make health services better for people.

We want to talk about what other work should happen and what you think.

Who should come?

People with Learning Disabilities and family members who have been involved in the Health assessment framework or are interested in checking health services or are on Health Sub Groups

Up to 3 self-advocates and family or carers from each area are invited to this meeting.

Please contact us by **Monday 23rd February** to let us know who will be coming and if you will be asking a supporter to come with you.
