# What is Transition Planning?

*It is about your future. It is about moving on...*

-  ◆ Going to college
-  ◆ Social activities
- Help with your money ◆ 
-  ◆ Getting a job
-  ◆ Being independent
- Taking care of your health ◆ 

# What will Happen?

*You, your family or carer will be asked if you would like to start talking about your future.*

A worker will be identified to help you and your family to:

-  ◆ Find out how you want to be heard
- ◆ Get your own ideas and views across
-  ◆ Get ready for any meeting
-  ◆ Make the Plan happen
-  ◆ Meetings will help you tell people what you want or need
-  ◆ What has been agreed will be in your Plan

# Your Plan

-  ◆ An individual Transition Plan is a record of your decisions
- Your Plan helps others to know what you want and need ◆ 
-  ◆ The Plan belongs to you
- Your Plan will be fully reviewed once a year. ◆ 
-  ◆ But you can change your Plan at any time
- ◆ If you need it, this help can continue until you are 24 years old.
