The long lunch break will let you visit all of the stands and stalls

**1:00pm** Workshop Two

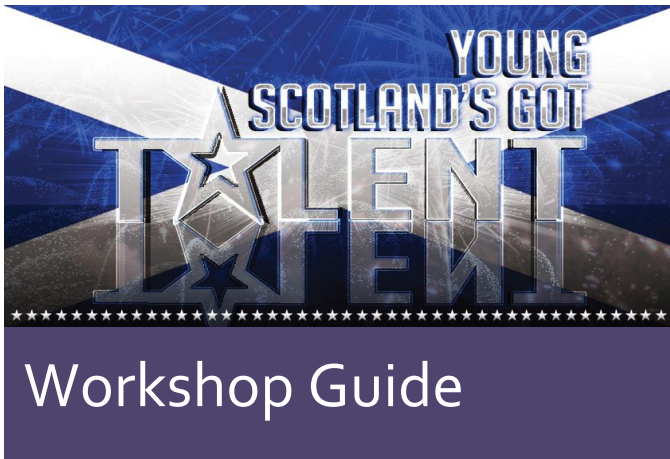

A chance to go to a different workshop

**2:00pm** We've got Talent Showcase

**3:00pm** Conference Close

### My Rights

The [Scottish Youth Parliament](#) will lead this fun workshop.

People who take part will vote with electronic key pads (like MSPs do) and will feed into the national youth manifesto.

### Music

This workshop will offer the chance to contribute towards a song or rap about jobs and what people want. The result will be available for download after the conference.

### Art

[Project Ability](#) will lead this workshop and people who take part

will create a banner about young people and jobs. We will photograph the finished banner and it will be available for download as a screensaver.

### Putting People Straight

We will challenge some of the myths around people with learning

difficulties and individuals on the autistic spectrum when it comes to getting jobs. It will really get you thinking!

### The Suit

[Common Knowledge](#) will show us some scenes from a play they have been working on.

It shows how difficult it can be when you are out there trying to get a job but don't have very much support or help.

### Fashion Show

Models are people with learning difficulties and individuals on the

autistic spectrum who have a range of jobs. They will model the clothes they wear for work and be interviewed about what they do.

### How To Get a Job

[North Lanarkshire Council](#) will talk about how they help people to get

jobs. They will share the secrets of their success and you will hear about the kind of services to look out for in your area.

### How Colleges Help With Work

[ENABLE Scotland](#) have been working in

partnership with five Scottish colleges. They will show us how they help students with job search and what they do to help them during and after college.
